Dear friends,

First I want to congratulate You to the last issues of the East Timor News. In my opinion the short and topical information is quite useful for coordinating actions of all solidarity groups. I hope you will continue with Your memo`s in December too.

In relation with the last memo 3/87 I want to inform You, that our commitee also started a solidarity campaign for the four students.
We managed a letter and protest-list campaign to the Indonesian embassy in Vienna, which was supported by 150 persons.
We also sent a letter to the Minister of Foreign Affairs of the Nederlands - (8. April 87), which was replyed by the Asia and Oceania Department.
Three weeks ago we had a meeting with the secretary of the Portuguese embassy in Vienna, where we also touched this problem.

I hope, it will be possible to obtain the departure of the four Timorese.

With cordial greetings

Gottfried Mernyi
in behalf of the commitee
